

# SOUTHPORT CARPARK

The Primary Medical & Dental Centre, Southport is a fully functioning medical centre offering not only medical but also dental. There is a pharmacy on site to create a 'one stop shop'.

The system is configured for centre users to access the area and park. The visitors will take a ticket upon entry and either pay at 'pay machine' by cash or credit card, credit card on exit. If the visitors stay for between 0 – 3 hours parking is free. Payment is required for times above 3 hours shown below in increments.

The car park system consists of one entry lane one exit lanes and one payment machine.

The system has the addition of the VoIP based intercom for assistance at either ticket entry dispenser, exit ticket machine or payment machine.
