

ROBINA CARPARK

The Laver Drive Car Park, Robina is within close proximity to Robina Town Shopping Centre and Cbus Super Stadium (Robina Stadium) and consists of 220 parking spaces.

The system is configured for casual parkers, monthly access card users and 30 day access card users. The fully automated car park system consists of one entry lane and two exit lanes to help with peak-hour exit.

The system has the addition of the VoIP based intercom for assistance at either ticket entry dispenser or exit ticket machine.
